

INDIVIDUALLY COMBINABLE

Not only cable length & communication, but also Smart Attachments can be freely selected. With NRGkick Pure there is a big variety of individual combinations.

Important: Without a Smart Attachment, NRGkick Pure can not be connected to a power source.

ADDITIONAL SMART SERVICES

In addition, Smart Services can also be ordered together with NRGkick Pure. This means that upon delivery, all functions and features are already activated and ready to use!

- » PV-led charging
- » OCPP Activation

ALL SMART ATTACHMENTS AT A GLANCE

NRGkick Smart Attachments not only offer the possibility to charge at any socket, but always charge at maximum possible speed. Find the right Smart Attachment for your needs:
